Newark International Airport

ArtsBeat: At Newark Airport, a 3-D Distraction

Travelers passing through Newark Liberty International Airport can take in a six-minute film, "New Work: Newark in 3-D," while they wait.

Beating airport security

A man hopped a fence and walked onto a runway at the Newark airport on Christmas Day in the second apparent failure of a multimillion-dollar detection system designed to protect New York-area airports, authorities said Thursday.

'Inebriated' man, cross-dressed man jump airport fences in Newark, Phoenix

Anyone who climbs a high-security fence at an airport and scurries onto a runway would have to be drunk, on drugs or desperate, one might think.

Newark Banquet Halls Offer Meeting Planners Free iPad Mini With Upcoming Events

Meeting planners go above and beyond to ensure everything goes according to plan, from arranging guests' arrival to knowing which presentation should be showed when. To make things a little easier -- and ...

Heavy rains cause delays at NY, Philly airports - NBC40.net

NEW YORK (AP) - Heavy rains and gusting winds have caused delays at airports in the New York City area and in Philadelphia. The Federal Aviation Administration says Sunday Newark International Airport is experiencing delays of 1 hour and 40 minutes.

Essex County film celebrates Newark in 3D

"New Work: Newark in 3D", a critically acclaimed, six-minute, art film originally commissioned, exhibited, and acquired by the Newark Museum as part of its 2009 Centennial Celebration, is on view in the Terminal B new Exhibition Gallery and Visitors' Lounge at Newark Liberty International Airport.

PA's \$300M airport security system fails again

The Port Authority's pricy perimeter-protection system failed again Wednesday when it failed to detect that a man — dressed as woman — had hopped a fence at Newark Airport and...

Security cameras capture man walking onto Newark airport runways

A man wearing women's clothing breached a fence and walked onto a runway at Newark airport on Christmas Day in the second apparent failure of a multimillion-dollar detection system designed to protect New York-area airports, authorities said Thursday.

Atlantic City Airport Plans \$500,000 Ad Campaign

Dec. 28--Efforts to land more airline service at Atlantic City International Airport will be complemented by a new \$500,000 advertising campaign to attract more travelers amid a sharp decline in passenger traffic this year.

Man wearing women's clothing walks onto runway at Newark airport

(CNN) — A man wearing women's clothing breached a fence and walked onto a runway at Newark airport on Christmas...
