*Painting Rules* provides an engaging look at the philosophy and technique of process painter Jerry Carniglia.

Filmed at the famed MacDowell Colony while he and the directors were fellows, the documentary shows Carniglia at work and captures the abstract artist's creative method -- the influence of nature, the importance of being sensitive to the integrity of materials, the need to exercise restraint - as well as his inspirations, from Aristotle to Keats to Nietzsche.

The film length is 30 minutes. Visit [www.BongiornoProductions.com](http://www.BongiornoProductions.com)

## Thursday, May 22 7:00 pm

The screening will be followed by a discussion with the Emmy-nominated, award-winning, husband-and-wife filmmakers Marylou & Jerome Bongiorno.

This program is made possible in part by funds from the New Jersey State Council on the Arts/Department of State, a Partner Agency of the National Endowment for the Arts and administered by the Essex County Division of Cultural and Historic Affairs.
