This 75 minute collection of eleven short films tells urban love stories that tackle truth, commitment, stereotypes, and morality, and includes modern interpretations of stories by Jane Austen, Henry James, and Edith Wharton.

Marylou & Jerome Bongiorno are Emmy-nominated, award winning, husband-and-wife filmmakers who create cutting-edge fiction, documentary, and museum installation art films that are widely distributed. They are the recipients of major grants, prizes, and fellowships. For more info: www.BongiornoProductions.com
