Filing Your Complaint

Welcome to the Port Authority of New York & New Jersey's airport noise complaint management system, powered by PlaneNoise®.

There are two ways to file an aircraft noise complaint:

1. Complete and submit the form on this page, or
2. Leave a voicemail on our airport noise complaint hotline 1-800-225-1071.

Either way, we ask that you kindly provide as much information as possible. Doing so will help the Port Authority better understand and process your complaint.

Thank you for filing your complaint with the Port Authority of New York & New Jersey.
