# CAPTURING A CITY IN CINEMA

FRIDAY, MARCH 1, 2019 | 2:00PM  
AUDITORIUM

Emmy-nominated, award winning, husband-and-wife filmmakers, **Marylou & Jerome Bongiorno** create fiction, documentary, and art films that feature their home city of Newark, New Jersey. These films are widely distributed theatrically, on national television, in museums and galleries, and in educational and cultural venues.

The Bongornos will screen and discuss clips from their Newark film oeuvre and answer questions about their filmmaking process - from inception to production to editing to distribution.
